Dear Christoph,

RE: RE/MAX Kelowna Temporary Office

As my Westside office moves closer to occupying our permanent home I just want to let you know what a wonderful job you and your team did to provide us with our temporary space. The Britco double modular actually worked better than we had expected in providing us with an office space to work from, but more importantly, it was the timely and professional effort you and your crew did to help put us in place as well as take it away. As you well know, we worked under very tight time constraints and I am pleased to say you were able to do everything we asked of you.

Christoph, it was a job well done, congratulations and thank you.

Sincerely,

Cliff Shillington
